'Ivo van Hove's work has been groundbreaking in opening up audiences' understanding of classic texts and films. His work is unique, raw, shocking, surprising, hilarious – everything you want theatre to be – and he doesn't shy away from the ugly or the profane. In a word, stunning, with a capital S.'

Cate Blanchett

Toneelgroep Amsterdam is one of the most innovative, exciting and ground-breaking theatrical ensembles in the world. Under Ivo van Hove's visionary leadership, our ensemble of actors stage powerful, unforgettable, signature productions in Dutch to audiences in Amsterdam and across the globe. Internationally celebrated, we perform on renowned stages in Paris, New York, London, Adelaide, St. Petersburg, São Paulo, Seoul, Avignon, Montreal, Tokyo and Sydney.

Our repertoire is incubated and developed in our home base: the Amsterdam Stadsschouwburg. In addition, we develop the next generation of artists with our talent programme TA-2, and we offer unique theatre experiences for young people through an extensive and integrated educational programme.

None of this would be possible without the support of private contributions. In order to realise our ambitions, we need your help. Every contribution – big and small – makes a difference and directly impacts on our ability to continue to create extraordinary theatre experiences for Dutch and international audiences. We are a non-profit company and are acknowledged by the ANBI as a Dutch public benefit organisation and registered charity.

There are three possible ways to support Toneelgroep Amsterdam: from donating € 1.000,- per year up to making a targeted contribution as a private producer, which involves you in the complete process of a production, from the choice of repertoire up to the premiere. Each level of contribution is designed to offer deeper insight into our work, making you an inseparable part of the TA family.

We hope that you will join us.

'After 20 years of visiting TA performances I was very happy to have been approached to support the company. I do so most sincerely.'

TA-PRIVATE PRODUCER

Since 2012 it has become even more tempting to support TA, thanks to the 'Geefwet'. This rule allows that donations made to cultural ANBI companies can be deducted from income tax for 125% of your gift to a maximum of donations of € 5.000,- per year. If you donate more than € 5.000,-, the remaining figure can be deducted from income tax for 100%. In addition, there are tax benefits when you donate regularly in the form of a fixed amount over at least five years. A regular gift to TA is fully deductible from income tax. The advantages of the 'Geefwet' are applicable for all Dutch tax-payers (private and companies). We are happy to provide you with more information.

We are also able to receive gifts from other jurisdictions on a tax-effective basis.

For more information on named gifts or leaving a legacy to TA you can contact Marthe Jongmans without obligation on + 31 (0)20 795 99 52 or marthe@tga.nl.

'TA is a top class company, and this is why we come regularly from Achterhoek to Amsterdam to enjoy performances. As TA-mecenas we're thrilled to have had the unique experience to travel to St. Petersburg and London along with TA. Being involved as mecenas not only gives great insights into the company but also opportunities to meet others with a similar passion for TA and theatre.'

Ger Timmer and Gonnie Ente, TA-mecenas

'As a resident of Amsterdam and avid theater lover, TA is a natural part of my life. As a private producer of TA I get the chance through interviews with the director and actors and attending rehearsals, to get close to the 'prima idea' of a specific forthcoming play in the repertoire. As a result, my viewing experience and knowledge increases many times.'
